THE GB CUP IS CLOSING SOON

<http://www.thepagb.org.uk/>

Now with online entry although I'm afraid you will still have to print out an entry form and post it off with your cheque

Probably the biggest Inter-Club Photographic Competition in the World.

You don't have to be selected.

You don't have to qualify.

You don't need to have entered before.

The GB Cup is open to EVERY Club who is a Member of a Federation Affiliated to the PAGB.

Every Club that enters will have it's work scored by a panel of the best judges around. There are Club and Individual Awards and each entrant Club gets a DVD of the very best work from the competition they enter. This will provide great entertainment for a complete evening. All this for a fee, subsidised from Sponsorship, of just £6 per Club per Competition!

There are Three Photographic Alliance GB Cup Competitions. The GB Cup (Open) is open to any Club that wishes to enter whilst the GB Cup (Small Clubs) is for those who cannot find enough entries from sufficient photographers for the Open competition. Size of membership is not important. It is how many photographers you have wishing to enter. There is also a specialist GB Cup (Nature) which has many individual awards including the "PAGB Nature Photographer of the Year". Further explanation and the rules can be found on the website. **DO IT NOW.** [Entry closes 18 Jan 2014](#)

INTER_CLUB PRINT CHAMPIONSHIP – 25 OCTOBER 2014

Put the date in your diary now! Apart from one year when the heating failed we have been very happy at Connah's Quay in North Wales. However it is time to move and Edge Hill University, near Ormskirk, offers a great venue with a magnificent 400 seat tiered theatre. We have checked the mileage from many destinations all over the UK and almost all of you will have a shorter, quicker journey. The seats will be more comfortable and there is a great canteen/restaurant. **More details nearer the time**

and finally ...

November 2013 saw our **biggest ever circulation increase with 189 new subscribers**. Many of you forward **e-news** to other club members and we are grateful for this “cascade” which we believe, from an earlier survey, boosts our circulation well beyond 10,000. However any or all of your members can also register for **FREE e-news**. It is advantageous to them and to the PAGB if they subscribe direct. We are able to more readily “prove” our circulation statistics and your friends won’t miss out if you are not able to pass **e-news** on to them immediately. When you forward this e-mail to other people please remove the “unsubscribe” link first. If your friend clicks on it then **YOU** will be dropped from our list. This happens once or twice with **EVERY** issue.
