PAGB AWARDS FOR PHOTOGRAPHIC MERIT

AWARDS GAINED AT EACH LEVEL IN PRINTS AND SLIDE (1994- 2011)

(The awards gained by members of Clubs which were part of the Central Association have been recorded separately on the database, but in this table they have been allocated to the Federations to which those Clubs now belong.)

These notes also apply to the table on the next page

1. The data shows the number of awards, not the number of applicants who gained awards (ie. more than one award may have been gained by a single applicant).
2. The awards are credited to the Clubs to which applicants belonged at the time they gained the award.
3. The awards gained by members of Clubs which were part of the Central Association have been recorded separately on the database, but here they have been allocated to the Federations to which those Clubs now belong.
4. Awards gained in Audio Visual are not included in this summary, because that information is contained in a different database. If they were Oxford might be much nearer to being top Club.
