William Anderson APAGB

It is with regret that we report the death of Willie Anderson (aged 93). Willie was the Scottish member of the PAGB Executive for many years and was awarded the APAGB in 1985.

Willie served as General Secretary of the Scottish Photographic Federation from 1956 to 1976 and for a short time acted as Vice President. He was one of the small group of Paisley Colour Club members who, in 1969, founded the Paisley International Exhibition. Willie's ashes will be interred in Hawkhead Cemetery in Paisley, a town always close to his heart.

We are indebted to John Siddle of Durham P.S. for this e-news banner. I have received several designs, all of which are excellent, and we have not yet made a final choice but my thanks to everyone who has had a go at updating the e-news image.

HIGHLIGHTS FROM THE PAGB EXECUTIVE MEETING IN LONDON 5 & 6 FEBRUARY 2011

The Executive Committee of the PAGB meets three times per year in February, April (after the AGM) and in October. A vast amount of discussion takes place on all aspects of UK amateur photography and those of you not familiar with the workings of the PAGB would be astounded at the work undertaken by its members. *This article gives a very brief insight and has been written in advance of the official minutes.*

TREASURER'S REPORT Although the annual accounts are not yet ready for publication the Treasurer, Peter Young, gave a very encouraging report highlighting good financial management of events and competitions. Based on this the PAGB will recommend to the AGM that the Affiliation Fees for 2012 should remain unchanged at the current rate of £29 per club plus Trustee Liability Insurance.

FIAP Normally each country is only allowed one batch of nominations per annum for the FIAP Distinctions of AFIAP, EFIAP & MFIAP but, in view of the huge number of applications received under the new regulations, permission has been given for a second batch later in the year. 77 Applications are already being processed by Ian Platt and the second batch will be processed by [Dave Coates](#). Full details including the closing date can be found at www.pagb-photography-uk.co.uk. The Executive also voted to rescind a decision which they had taken at a previous meeting. The FIAP Liaison Officer will now continue to be elected by the AGM as an Officer of the PAGB rather than be appointed by the President and EC as the other job holders are.

FIAP CONGRESS The PAGB is actively considering hosting a FIAP Congress and a proposal will be put to the AGM in April. It is thought from previous enquiries that the cost, currently estimated at £115,000 can be covered by an Arts Council Grant.

PAGB HANDBOOK The latest deadline for any amendments is 20 April 2011 and the Editor, [Ian Lyons](#), will be unavailable for a period after that date.

2011 INTER-CLUB CHAMPIONSHIPS The admission price for the PDI Championship (16th July, Warwick) and the Print Championship (22nd October, Connah's Quay) will be maintained at £10.

LOGO Permission was given to produce a cleaner version of the PAGB logo. (Several versions of the logo are in current circulation).

SPONSORSHIP Through sustained efforts by several people sponsorship income should be substantially increased. (More information later.)

RELATIONSHIP WITH THE RPS Although still patchy several Federations reported better co-operation and communication with their RPS counterparts.

CHEATING A photographer was banned from all PAGB Competitions for reported plagiarism. In effect using royalty free images as background or as component parts of photographs entered for competitions and exhibitions. Although there was no reported infringement of copyright, use of such components is not permitted by the PAGB nor by most Federations. The photographer will be stripped of any PAGB Distinction he/she may have and the PAGB will recommend to UK Exhibitions that they do not accept his/her entries. Specific information will be sent to Federations.

RECORDED LECTURE SERVICE Several possible new lectures were discussed. This service is of great value to smaller clubs in particular and [Stephanie Cook](#) would love to hear from anyone who might be able to contribute a lecture. The cost of hiring each lecture will increase to £15 effective from the publication of the next Handbook in the autumn.

The Vale of Evesham Camera Club National Internet Exhibition is now open for entries.
