FEATURED PHOTOGRAPHER

Gillian Mackay AWPF CPAGB EFIAP BPE 1

I live in Tenby, Pembrokeshire, and became seriously active in photography after replacing a lost film camera with a digital camera. I started entering competitions in 2011 and became hooked by the experience, achieving my CPAGB in 2011 and my EFIAP by 2013. I rekindled my interest in awards in 2017 and have achieved my AWPf and a BPE 1 earlier this year. For me, entering competitions and trying to achieve awards gives me a focus and incentive to learn new skills and techniques.

Street photography is my love, and this extends to events such as Ironman and Mud Runs; candid shots telling a story or showing an emotion.

Every September in Tenby we have the Ironman Wales competition, where we welcome over 2,000 athletes from all over the world and around 32,000 spectators. An Ironman event consists of a 2.4 mile swim, followed by a 112 mile bike ride and a marathon of 26.2 miles, with no breaks between disciplines. It starts at dawn and I have total respect for the contestants who, unlike me, cannot nip back home for a cuppa. When I have retired to bed some competitors are still finishing as the cut off time is 12 midnight!

I have an Exhibition in Tenby Museum and Art Gallery from 20th August to 10th September showing a selection of my Ironman photographs in which I have tried to capture the athletes journey, depicting all the emotions of the day and the tremendous support they have from the spectators.

If you have an exhibition or a Website, please include the link.

I cannot guarantee inclusion in the next issue, but I will use it as soon as I can.

EASTWOOD P.S.

PHOTOGRAPHY NEWS AND FUJI CAMERA CLUB OF THE YEAR 2017-18

The Eastwood Team receiving their trophy from Will Cheung

Eastwood Photographic Society, from Newton Mearns in Glasgow, have just emerged victorious as "The Photography News and Fuji Camera Club Of The Year 2017-18." Following a series of 5 monthly competitions followed by the Final in May, involving the submission of 20 images covering five different shoots, they emerged clear winners over the other 4 UK clubs. Four of the 20 winning images can be seen here, along with more about their experience!

Eastwood PS entered the Camera Club of the Year competition for the first time in October 2017. The competition is a joint venture between Photography News and Fuji. The competition format is 5 qualifying rounds, with each round having a set subject/theme. Each club required to enter 5 images from 5 different authors. The images were judged out of 20 in the qualifiers - making a possible maximum score of 100. All the round winners went through to the Final in the following spring

Images from the following Eastwood club members were used in the qualifying rounds - Mary Robertson, Kenny Gordon, David Hendry, Stuart McCann, Peter De Marco, Ken Lindsay, Colin McLatchie, James Finnegan, John Hannah, Gavin Hanna and Ross Eaglesham. Over 50 UK camera clubs entered each of the 5 qualifying rounds.

Eastwood finished 3rd in the first round, were 3rd in the 4th round and won the 3rd round (Decisive Moment) with a score of 89/100, and thus qualified for the Final on 18th & 19th of May 2018. Eastwood was one of only five UK clubs to compete in the Final and the sole Scottish representative.

THE FINAL

The Eastwood team had several training sessions at Peter De Marco's studio in the weeks before the final. The final team to represent the Club at the grand final were chosen from those members who had the most images used in the qualifying rounds, and given the demanding nature of the final itself, those thought not likely to buckle under the pressure! The final team, who travelled down to Daventry, to represent the Club comprised Peter De Marco, Stuart McCann, Ken Lindsay and Colin McLatchie.

All the teams were invited to stay overnight at the De Vere Staverton just outside Daventry where the teams met and mingled, swapped stories and anecdotes with both the Fuji and Photography news teams over a celebration meal, and familiarisation session with the Fuji cameras. The format for the actual 'final' being kept tightly under wraps, with a few surprises in store for the following day!
