**Smethwick PS have twice recorded three Championships in a row but Catchlight C.C. are the first to have achieved Print Championship wins in Four consecutive years.**

In 2021 the shared the trophy with Smethwick PS, they were sole Champions in 2022 whilst in 2023 they shared again, this time with Rolls Royce (Derby) PS and have now achieved their fourth Championship. A great achievement in the face of stiff competition from the best UK Print Clubs.

It is heart-warming that, after more than a quarter century, there are still Clubs qualifying to represent their Federation for the very first time. The Chairman traditionally presents a box of chocolates to the "Best Rookie" Club. Appropriately, usually a box of Heroes!

Unfortunately, this time around we confused Bury St Edmunds who were competing for the first time with Bury who have participated previously. They were the best performing Rookie but were unfortunately passed over and were not declared the winners until later. Our sincere apologies.

We have not requested the return of the chocolates from the Club who were wrongly presented.
